## **Product description:**

DOMETIC SINEPOWER DSP424 INVERTER 350 W

DOMETIC SINEPOWER DSP424 is an inverter designed to transform the 24 V battery voltage into pure 230 V alternating current.

Sensitive household appliances such as electric toothbrushes, laptops, TVs or DVD players require 230 V pure alternating current, just like sockets in the home. Exactly what your DOMETIC SINEPOWER DSP424 pure sine wave provides. This sine wave inverter ensures reliable operation of devices up to 350 W with the vehicle battery. DOMETIC SINEPOWER DSP424 inverters offer everything you can expect from a high-end device. Units up to 350 watts are small and lightweight. DOMETIC SINEPOWER DSP424 is a high quality, innovative and versatile inverter, safe and reliable, with many functions and comfort will make you feel at home.

The integrated protection circuits prevent damage from overload, overheating, over and undervoltage. In case of overload, the inverter shuts down to avoid damage and automatically reactivates when you return to normal. Another advantage is the low noise fan that adapts to the load and temperature conditions. Thanks to its wide input voltage range, the DOMETIC SINEPOWER DSP424 sine wave inverter also works well in modern Euro 6 vehicles with intelligent alternators.

24

Depth: 187.5 mm

Height: 50 mm

Width: 126 mm

Weight: 1.20kg

Input voltage (direct current): 24 V

Output voltage: 230 V

Standby power consumption 7.00 W

Absorbed current - Zero load 0.4 A

Energy efficiency >90 %

Continuous power at 25 °C: 350.00 W

Min. operating temperature: 0.00 °C

Max working temperature: 50.00 °C

Are you looking for a product with different characteristics? [HERE](#) you can find the entire DOMETIC range and other specialized brands.

Images and technical data are not binding and subject to change by the manufacturer.

**Product features:**

Frequency (Hz): 50

Protection degree: IP20

Output voltage (V): 230

Length (mm): 126

Width (mm): 187.50

Height (mm): 50

Input voltage (V): 24

Kind of wave: Pure Sinusoidal

Continuous power (W): 350

Weight (Kg): 1.2
