Product description:

DOMETIC COOLFREEZE CFX3-55IM PORTABLE REFRIGERATOR

DOMETIC COOLFREEZE CFX3-55IM is a portable refrigerator that offers exceptional refrigeration that can be conveniently set and monitored via app or HD display.

DOMETIC COOLFREEZE CFX3-55IM can hold an incredible amount of food and drink thanks to its comfortable and spacious interior design. Thanks to the removable basket you can decide how to organise your space. The evaporator on all the internal walls allows an even distribution of cold.

The DOMETIC CFX3-55IM app gives you full control and connectivity. The App is completely free, and you can find it conveniently from the App Store or Google Play Store. Once connected to your phone, you can set the temperature and view detailed energy consumption history of the portable refrigerator remotely, from the front seat of your vehicle or even from your bed.

Thanks to the user-friendly interface, it is even easier to monitor the refrigeration of your DOMETIC COOLFREEZE CFX3-55IM. If you forget to open the cover of your DOMETIC CFX3-55IM, the app will send you a notification reminding you to close it. The app tracks temperature and absorption in detail, so you will always know how to adjust before you set off.

DOMETIC CFX3-55IM has an individually controlled quick-freeze plate with two custom-made silicone ice trays. The compressor cools the plate to make ice while maintaining the refrigeration temperature in the rest of the portable refrigerator.

The DOMETIC CFX3-55IM line is equipped with an easy-to-read high definition colour display to monitor the operating status of the refrigerator. The display is equipped with various protection measures to guarantee maximum resistance and reliability, including a scratch-resistant and dust-proof cover in compliance with the IP65 standard.

The USB connection has been fitted on the display panel, so you can charge your portable devices in a more functional way. The intuitive user interface displays voltage, Bluetooth/Wi-Fi connection status and temperature with colourful graphics.

DOMETIC COOLFREEZE CFX3-55IM is equipped with sturdy corner protection frames and is easy to carry thanks to its sturdy aluminium spring handles.
