## **Product description:**

### **FINE BK 119-270F-10 DIESEL MOTORCOMPRESSOR**

The motorcompressor Fini BK 119-270F-10 Diesel with a capacity of 270 l can deliver a maximum pressure of 10 bar by means of an BK119 pump with a power of 7,5 KW.

The Fini silenced motorcompressor is composed of powerful pumping units that guarantee very high efficiency and reliability at the highest levels.

The Fini BK 119-270F-10 Diesel model with diesel engines, resistant structure and low energy consumption.

The models can be connected to an external battery with the use of connection cables (included) allowing an electric start.

The Fini BK 119-270F-10 motorcompressor combines a powerful and reliable unit with a large air reserve, which makes this compressor suitable for all pneumatic accessories that require high air consumption.

The Fini compressor is equipped with large anti-vibration feet for greater stability during operation.

The Honda internal combustion engine that conforms to the most stringent emission standards of which this compressor is composed is of great reliability and power, despite low fuel consumption.

The motorcompressor is an efficient way to solve the problem of noise in the working environment, these compressors are distinguished on the market by the lowest noise level in their category. The combination of high quality materials and the highest accuracy in the assembly of the machine ensure quietness, excellent performance and long life.

## TECHNICAL CHARACTERISTICS OF THE FINE BK 119-270F-10 MOTORCOMPRESSOR

Engine: Lombardini

Pump: BK119

Cylinder capacity: 270 l

RPM: 1400 RPM

Power: 7.5 KW - 10 HP

Air yield: 945 Lt/min - 33.3 cfm

Pressure: 10 bar - 145 psi

BSP: 2"

Length: 1640 mm

Width: 560 mm

Height: 1330 mm

Weight: 183 Kg

### Product features:

Engine rpm (rpm): 1400

Power (KW): 7.5

Pressure (bars): 10

Air output (L/min): 945

Mechanical power (hp): 10

Length (mm): 1640

Width (mm): 560

Height (mm): 1330

Dry weight (Kg): 183
