Product description:

SCANGRIP MATCHPEN R Rechargeable Pen Lamp

SCANGRIP MATCHPEN R is a rechargeable pen lamp, lightweight and convenient to carry, with excellent adjustable color rendering. SCANGRIP MATCHPEN R is a lamp designed for inspection in the workshop and especially useful for detecting scratches, pinholes and swirl marks.

The SCANGRIP lamp is equipped with a 2 COLOUR LIGHT function, offering you the possibility to choose between 2 different color temperatures depending on the work at hand.

SCANGRIP MATCHPEN R is equipped with a focus function for concentrated and focused light beam ranging from 10° to 45°. It can be easily recharged with the included USB cable.

SCANGRIP MATCHPEN R is made entirely of sturdy and durable aluminum supplied with solvent resistant glass lens.

SCANGRIP MATCHPEN R is a faithful ally in any circumstance, from small maintenance to the most complex and demanding, capable of delivering a light quality of 100 lumens.

The SCANGRIP lamp is equipped with an internal rechargeable battery that allows an autonomy of 2.5 hours.

The portable lamp has an IP30 degree of protection, which ensures its operation and the possibility of using it even in the most demanding circumstances, perfectly maintaining its qualities.

The SCANGRIP is equipped with an internal rechargeable battery that allows 2 hours of autonomy.
