

LARIUS GIOTTO PLUS ROAD MARKER WITH 2 GUNS

Product price:

12.600,00 € tax excluded

Product description:

LARIUS GIOTTO LINER PLUS 4080 ROAD MARKING MACHINE

LARIUS GIOTTO LINER PLUS 4080 is an airless road marker equipped with a Yamaha petrol engine, capable of delivering a maximum power of 10 Hp.

LARIUS GIOTTO PLUS 4080 is a self-propelled machine conceived and designed to create road stripes on particularly winding paths with the presence of differences in level otherwise difficult to overcome.

The airless technology provides for the high-pressure spraying of the paint through a nozzle of hundredths of a millimeter as opposed to the traditional low-pressure spraying where the flow of paint is nebulized through the addition of air. Thanks to airless technology, LARIUS GIOTTO 4080 will allow you to have a clear and marked line thanks to the flat-cut nozzle and without the jagged effects due to turbulence caused by air.

The LARIUS GIOTTO PLUS 4080 allows for the marking and maintenance of all types of stripes on state roads, highways, crosswalks, parking lots, yards and everything required by the highway code regarding road signs.

by the Highway Code in the field of horizontal signage.

Airless operation striping has many proven benefits over strippers with pressurized tanks that are obsolete compared to airless technology.

The paint dries quickly and with just one pass the line is uniformly defined. LARIUS GIOTTO PLUS 4080 requires the use of filtered paint specifically for airless applications, which in itself means homogeneous paint of smooth and uniform consistency that will not crust or become gelatinous or thick.

With LARIUS GIOTTO PLUS 4080, the paint adheres tenaciously to all types of flooring, with excellent visibility and resistance to wear caused by both traffic and weathering.

Each model is complete with:

- Filter with pressure gauge;
- High pressure hose Ø 1/4" connected M16x1.5 of 10 m;
- Suction and recirculation system;
- 2 Manual airless guns AT250;
- 2 Super Fast Clean bases;
- Super Fast Clean nozzles 2 x 11-40 / 2 x 13-40 / 2 x 17-40
- Case with tools

TECHNICAL FEATURES LARIUS GIOTTO LINER PLUS 4080:

Max flow rate: 7 l/m

Max pressure: 210 bar

Airless gun: N°2 AT 250

Power supply: Gasoline

Motor power: 5 Kw - 10 Hp

Motor: Yamaha

Specified nozzle sizes: 2 x 11-40 - 2 x 13-40 - 2 x 15-40

Colors: 1

Treatment: manual

Applications: Medium road maintenance plotting work

Multipurpose: standard sprayer

Front spike with swivel wheel and lock

Length: 1600 mm

Height: 1000 mm

Width: 750 mm

Vibrations: Leq(8h)=1.5 m/s²

Dry weight: 200 Kg

Product features:

Fuel: Gasoline

Engine: Yamaha

Power (KW): 5

Maximum output capacity (Lt/min): 7

Pressure (bars): 210

Length (mm): 1600

Width (mm): 750

Height (mm): 1000
Dry weight (Kg): 200
