

# Super-silenced vehicular generator 16 KW

**Product price:**

**13,098.00 € tax excluded**

## Product description:

### **Super-silenced 11 KW vehicular generator**

Single-phase vehicular generator of 16 KW with Lombardini engine powered by diesel of 3000 rpm with soundproof capsule and **supersilenced**. The single phase vehicular generator has an electric start.

The alternator of the single phase vehicular generator is synchronous, brushless and water cooled (in stainless steel AISI 316 L jacket). The vehicular generator thanks to its casing is very silent in fact it has acoustic emissions of only 56 dB (A). Designed with high quality components it has a low fuel consumption: only 0.35 Lt/KW/h. The engine cooling pump is an electric pump.

## **Remote control and control** of single-phase vehicular generator with:

- Hour meter
- Load indicator
- Automatic stop for low oil pressure and water over-temperature
- Starter motor release
- Quick connector and 15 meters of cable

## **Technical features:**

Single-phase continuous use power: 16 KW

Fuel: Diesel

Voltage: 230 V

Frequency: 50 Hz

Motor: Lombardini LDW1404

Starting: Electric

Consumption: 0. 35 Lt/KW/h

Length: 1070 mm

Width: 580 mm

Height: 650 mm

Weight: 290 Kg

From 4 KW and up, the vehicular gensets in this range are the quietest, **compact** and **lightweight** for the same performance. These vehicle gensets are the quietest, plus vibrations are kept to a minimum, making gensets like this **always competitive** in the marketplace.

If you are looking for a product similar to the vehicle generator, we recommend that you browse our extensive catalog of [vehicle generators](#). So you can find the product that best suits your needs and perfect for your vehicle.

#### Product features:

Phase: Single phase

Continuous power single phase (KW): 16

Continuous power single phase (KVA): 18

Fuel: Diesel

Frequency (Hz): 50

Voltage (V): 230

Engine: Lombardini LDW1404

Engine rpm (rpm): 3000

Starting system: Electric

Number cylinders: 4

Cooling: Water

Alternator: Synchronous, brushless

Consumption (L/h): 0.35

Acoustic pressure: 56 dB(A) at 7 m

Length (mm): 1070

Width (mm): 580

Height (mm): 650

Dry weight (Kg): 290

Silenced: Yes

Super silenced: No

Product type: Generator

ATS Switch device : No

Voltage regulator: No

Engine manufacturer: Lombardini
