Product description:

HONDA TENDER T27 IE3

Honda Inflatable Dinghy T27 IE3 is an inflatable V-keel dinghy that can be equipped with a Honda outboard engine; this boat can be combined with an outboard for a maximum power of 8 hp.

The Honda T27 IE3 is a portable, lightweight dinghy and is perfect for coastal exploration, fishing or simply offshore excursions. With a new bow roller design, a high quality durable PVC body and larger diameter tubing for smoother sailing, the new Honwave dinghy range is perfect for trips to the lake or sea.

With a Honda T27 IE3 outboard, it will be even easier to go to sea, this is because the dinghy's larger diameter tubulars ensure excellent buoyancy and stability. Honda quality in both engines and dinghies always makes the difference in boating.

Honda offers several types of inflatable boats and tenders and each of them has a different length and is suitable for different outboards and number of passengers. For example, the Honda T27 IE3 has an overall length of 267 cm and can carry up to 3 adults and 1 children. This inflatable boat with a V-shaped inflatable hull offers you performance and agility. Vibration-damping decks help soften the ride and the deep-V hull ensures the best possible stability at any speed.

Honda inflatable boats are designed to withstand whatever they may encounter on the open sea. This applies to all types of weather and sea, in fact even the Honda T27 IE3 inflatable boat is protected against everything. The Honda T27 IE3 inflatable boat is made of high-quality European PVC - simply the best available - which makes this dinghy not only durable but also lightweight.

In addition to being made of European PVC, Honda inflatable boats also have a thick planking around the entire boat. This not only acts as a bumper to protect the hoses from puncturing, but its curved shape deflects water jets.

The KIT HONDA TENDER T27 IE3 INCLUDES:

- Carry bag
- Puncture repair kit
- Pressure gauge
- Oars
- Foot pump
- Boat bench

Key technical specifications of the Honda T27 IE3 inflatable boat:
