Product description:

OFF BY INDEL B PLEIN-AIRCON AIR CONDITIONER 12V

OFF BY INDEL B PLEIN-AIRCON AIR CONDITIONER 12V is a compact and powerful roof air conditioner, designed to offer maximum comfort during your travels. Weighing just **25.3 kg** and with compact dimensions (**800 mm long, 670 mm wide and 246 mm high**), it fits perfectly in vehicles with a recommended length of **3 metres**.

This air conditioner, powered by **12V DC**, boasts a remarkable cooling power of **1200 Watts (4100 BTU)**, ensuring a cool environment even on the hottest days. The current consumption is optimised, with an average of **16 amp/h in automatic mode** and a maximum of **42 amp/h**, and a **very low starting current** to avoid overloading the battery.

Equipped with a reliable **Samsung DC compressor**, it offers **3 fan speeds plus automatic mode**, with a maximum air flow rate of **350 m³/h** for effective air distribution. The supported roof thickness varies from **30 to 70 mm**, making it versatile for different installations.

For a cutting-edge user experience, the **OFF BY INDEL B PLEIN-AIRCON 12V CONDITIONER** integrates **Bluetooth and Wi-Fi connectivity**, allowing you to manage it conveniently remotely. Not only does it cool, it also offers **antibacterial protection** and the "TImersi" function (presumably a typo for "Timer" or "Advanced Settings") for even more personalized control of the on-board climate.

Technical Features:

Voltage: 12V DC

Length: 800 mm

Width: 670 mm

Height: 246 mm

Shop name

Weight: 25.3 Kg
Cooling power: 1200 Watts - 4100 BTU (max)
Fan speed: 3 + AUTO
Average current draw, cooling: 12V: 16 amp/h (auto) - 42 amp/h (max)
Maximum air flow: 350 m³/h
Type of air conditioning: Roof air conditioner
Recommended vehicle length: 3 m
Product type: Air conditioner
Compressor: Samsung DC
Roof thickness: 30 - 70 mm
Starting current: very low
Refrigerant: R134A
Connectivity: Bluetooth; Wi-Fi
Functionality: Timer, Bacterial protection
