Product description:

OFF BY INDEL B CR130 REFRIGERATOR 130l

The Refrigerator OFF BY INDEL B CR130 with single door, external refrigerating unit, 130 Liters total capacity, including volume for freezer function.

OFF BY INDEL B CR130 are among the smallest built-in compressor refrigerators for fixed installation on board of campers and caravans. OFF BY INDEL B CR130 is equipped with a freezer compartment and differs in depth and hinged or drawer opening. For all those who do not want to miss the practicality, functionality and convenience of their home refrigerator.

The OFF BY INDEL B CR130 built-in camper refrigerator can hold bottles both vertically and horizontally. The internal lighting system includes the standard installation of a high-brightness ceiling light that guarantees the achievement of light at any point of the refrigerator.

The standard version sold is right-hand opening (opening from left to right - hinges on the right).

The customer can independently change the door opening direction with a very simple procedure - see enclosed manual - page 26. No adaptation kit is needed, just move the hinges and handle.

N.B.

Remember that the handle holes on the door will remain in their original position.
