

VTE PAGURO OPEN 22EK 400V

Product description:

VTE PAGURO OPEN 22EK 400V

The VTE generator sets for the nautical sector are a reference point on the market for the optimal relationship between performance, silence and reduced dimensions.

The PAGURO range is very wide to satisfy every need of power and performance, for sailing and motor boats.

Silent

Both the engine and the Paguro generator alternator are water cooled: as no ventilation is required for cooling, noise is drastically reduced.

In addition, the outer shell has a single small opening for the entry of combustion air with a labyrinth path that prevents the exit of noise, the outer shell is made of reinforced fiberglass multilayer and covered with high-density neoprene for maximum sound insulation.

Lightweight and compact

Each product in the Paguro range is conceived, designed and built with ad hoc components to reduce the overall dimensions and exploit the empty spaces inside. Thanks to VTE technology, each Paguro generator is the most compact with the same energy performance.

Safe

VTE generators are equipped with alarm indicators and a charging indicator with LED light for an immediate evaluation of the power delivered. They stop automatically in the event of low oil pressure or overtemperature.

Technical Data

Fuel: Diesel
Rpm: 1500
Phase: Three Phase
Continuous three phase output (kVA): 22
Frequency (Hz): 50
Voltage (V): 400
Engine: KOHLER KDI 2504
Starting system: Electric
Noise level: Open without soundproof canopy
Cooling system: Fresh water with heat exchange
Dry weight (Kg): 500
Length (mm): 1107
Width (mm): 600
Height (mm): 768.5
AVR

Non-binding images and technical data.

Product features:

Phase: Three phase
Continuous power three phase (KW): 20
Continuous power three phase (KVA): 22
Fuel: Diesel
Frequency (Hz): 50
Voltage (V): 400
Engine: Kohler KDI 2504
Engine rpm (rpm): 1500
Starting system: Electric
Number cylinders: 4
Cooling: Water
Alternator: Brushless
Length (mm): 1107.7
Width (mm): 600
Height (mm): 768.5
Dry weight (Kg): 500
Silenced: No
Super silenced: No
Product type: Generator
Voltage regulator: AVR
Engine manufacturer: Kohler
