

ECOFLOW DELTA2 INTELLIGENT ADDITIONAL BATTERY 2KWH

Product price:

654,91 € tax excluded

Product description:

ECOFLOW DELTA2 INTELLIGENT ADDITIONAL BATTERY 2KWH

The additional Ecoflow Delta 2 battery is designed to double the energy capacity of the Power Station, bringing it from 1024 Wh to 2048 Wh.

Thanks to the LFP chemistry, this battery is able to switch from 0 to 80 % recharge in just 50 minutes ensuring a duration of 3000 cycles and 10 years of daily use up to 80% of its original power. The technology contained in this LFP battery powers over 90% of household appliances, allowing you to continue using them even during blackouts or when camping.

X-Stream technology allows for ultra-fast recharging of the second battery, recharging 7 times faster than the competition. This battery reaches 80% charge in 50 minutes and goes from 0 to 100% in 80 minutes.

The Ecoflow Delta2 Smart Extra Battery is designed to be compact and easy to carry, allowing it to be taken along on trips, camping, hiking or in case of emergency. It is built with sturdy and durable materials to ensure a long service life.

The supplementary battery features an intelligent energy management system that optimizes battery efficiency and life. It also offers a number of safety features to protect connected devices, including overcharge, short-circuit and overheat protection.

ECOFLOW DELTA2 can be recharged by one 400W portable solar panel or by two 220W panels each in about 3-6 hours.

Thanks to the intelligent MPPT (Maximum Power Point Tracking) algorithm, DELTA 2 is able to actively sense voltage and current in real time to reach the maximum power point with an efficiency greater than 98%.

TECHNICAL SPECIFICATIONS OF THE ECOFLOW DELTA2 ADDITIONAL BATTERY:

Capacity: 1024Wh
Cell chemistry: LFP
Charge temperature: 0/45°C
Discharge temperature: -20/45°C
Width: 400 mm
Length: 211 mm
Height: 281 mm
Net weight: 12 kg

Product features:

Battery capacity (Wh): 1024
Length (mm): 400
Width (mm): 211
Height (mm): 281
Weight (Kg): 12
Life span: 800
