

WHISPER W-SQ PRO 15 MOBILE GENERATOR 15KVA SINGLE-PHASE STAGEV AVR

Product price:

17.805,00 € tax excluded

Product description:

WHISPER W-SQ PRO 15 SINGLE-PHASE MOBILE GENERATOR 15KVA STAGEV AVR

WHISPER W-SQ PRO 15 Single-phase mobile generator with diesel-powered Kubota V1505 BG **StageV** engine delivers a power of 15KVA, **complete with AVR voltage regulator**. p>

The vehicular generator is powered up. equipped as standard with a robust acoustic capsule with anti-corrosion metal plating and insulating material for optimal sound reduction. Hearing protection is a must. equipped with easy access to all sides of the generator and offers access to all maintenance-related components from one side only.

Thanks to the electrical stabilizer of AVR technology that works at very low distortion, WHISPER W-SQ PRO 15 delivers constant current loads without voltage peaks that could damage electrical and electronic devices. Another advantage of the inverter is; that of working with variable engine revolutions, based on the need; current to be supplied, optimizing fuel consumption, gas emissions and wear of mechanical parts. Automatically operate air conditioning/heating systems, heavy tools, compressors, cookers, lights, refrigeration and cooling systems, computers and more. All at the same time, depending on the load.

VOLTAGE REGULATOR

WHISPER W-SQ PRO 15 is equipped with AVR, which, when mounted on an alternator, allows a generator set or generator to stabilize the output voltage and does not ruin the connected sensitive electronic equipment. In the modern market, inverters have taken a huge step forward in technology and performance; therefore, the world's top genset and alternator brands are moving along this line of thinking.

An important feature of the SQ Pro range is the 7-inch color touch screen control that will be

linked with WhisperCare. This allows complete control of the W-SQ Pro 15 generator system. A perfect solution for instant and/or historical information with an attractive display.

STAGEV / EPA / TIER 4 EMISSION REGULATIONS

WHISPER W-SQ PRO 15 is equipped with STAGEV "mobile" motorization, as required by European Regulation 2016/1628. These new motorizations make it possible to exponentially reduce the emissions of particulate matter and nitrogen oxides delivered by the generator to the environment, and ensure a 200% reduction in environmental impact compared to standard motorizations.

DeepSea Control Features (Optional)

- Features; group parallel included (ask for more details)
- Provides secure and easy offsite monitoring (optional)
- Allows you to quickly resolve fault conditions and provide instant system information to aid in preventive maintenance
- Graphic displays showing, graphs, meters, power display, graphs and engine status information
- The information is displayed clearly and in a universal format for all users
- Language of your choice

Technical characteristics WHISPER W-SQ PRO 15:

Phase Type: Single Phase

Maximum Power: 15.6 KVA / 12.5 KW

Continuous Power: 15 KVA / 12 KW

Fuel: Diesel

Voltage: 230 V

Frequency: 50 Hz (60 Hz)

Engine: Kubota V1505 BG

Emissions standard: StageV certified / EPA / Tier 4

Number of cylinders: 4

Engine speed: 1500 rpm

Acoustic power: 55 dBA

Voltage regulator: AVR

Length: 1145 mm

Depth: 625 mm

Height: 690 mm

Net weight: 410 Kg

Product features:

Phase: Single phase

Maximum power single phase (KW): 12.5

Continuous power single phase (KW): 12

Maximum power single phase (KVA): 15.6

Continuous power single phase (KVA): 15

Fuel: Diesel

Frequency (Hz): 50

Voltage (V): 230

Engine: Kubota V1505 BG

Emissions Regulations: STAGEV / EPA / TIER 4

Engine rpm (rpm): 1500

Number cylinders: 4

Cooling: External radiator cooling

Acoustic pressure: 55 dB(A)

Length (mm): 1145

Width (mm): 625

Height (mm): 690

Dry weight (Kg): 410

Silenced: Yes

Super silenced: Yes

Product type: Generator

Voltage regulator: AVR

Engine manufacturer: Kubota
