Product description:

AUTOCLIMA FRESCO 3000 BACK VEHICULAR AIR CONDITIONER 950 W

AUTOCLIMA FRESCO 3000 BACK air conditioner, perfect for installation in vehicles, to cool and dehumidify campers and caravans.

Autoclima Fresco 3000 Back is a high-quality air conditioner designed to provide maximum thermal comfort in large vehicles. This innovative system provides an effective and efficient cooling experience, ideal for applications such as tour buses, coaches and passenger vehicles.

With a cooling capacity of 3250 BTU/h, the air conditioner can maintain a comfortable interior temperature even on the hottest days. Equipped with a reverse cycle compressor, the Autoclima Fresco 3000 Back air conditioner offers efficient operation and precise temperature control. Thanks to the built-in digital control, the desired temperature can be set and maintained with ease. In addition, the air conditioner is equipped with a dehumidification system that helps maintain a cool, humidity-free indoor atmosphere.

Autoclima Fresco 3000 Back is designed for quiet operation and low noise during use. This ensures a quiet environment inside the vehicle, allowing passengers to enjoy their journey without disturbance.

This air conditioner is also equipped with an advanced air filtration system, which effectively captures harmful particles in the outdoor environment. This helps create a healthy and clean indoor environment, protecting the health and well-being of passengers.

Autoclima Fresco 3000 Back is equipped with an optional remote control system, making it easy to adjust system settings from a convenient location. This additional feature provides a greater level of convenience and flexibility in using the system.

TECHNICAL FEATURES AUTOCLIMA FRESCO 3000 BACK

Cooling capacity: 950 W
Input voltage: 12V / 24V
Input frequency: 50 Hz
Evaporator flow rate: 250 m3/h
Cooling airflow: 3250 BTU/h
Nozzles: 4
Compressor: Danfoss BD350GH
Number of speeds: 6
Refrigerant: 134a
Remote control: Yes
Evaporator Dimensions: 631x120x255 mm
Condenser Dimensions: 467x188x702 mm
Net weight: 18.6kg + 4.2kg
