Product description:

Dometic TRT120E Roof Tent 4WD

Dometic TRT120E is a 2-person 4WD car rooftop tent that features remote-controlled automatic opening, is compact and easy to transport.

The Dometic TRT120E 4WD rooftop tent is an ideal option for experiencing new outdoor adventures with maximum comfort. With its practical design and outstanding features, this tent stands out for its ease of assembly and use.

Equipped with a 2-inch-thick high-density foam mattress, the Dometic TRT120E provides a comfortable and spacious sleeping area sufficient to comfortably accommodate two people, ensuring peaceful and restful nights. Access to the tent is facilitated by a lightweight telescopic aluminum ladder, making it easy to enter and exit the tent effortlessly.

The Dometic TRT120E cover is made of water-repellent PVC, giving it optimal protection against water and offering a high degree of UPF 50+ protection from the sun's rays, enabling it to cope with challenging weather conditions in any season.

The double-layered design of the Dometic TRT120E fabric ensures excellent thermal insulation capacity, allowing you to enjoy a comfortable and warm environment even in extremely cold conditions. In addition, the four double-layered windows with built-in mosquito nets provide effective ventilation and allow you to enjoy the outside breeze without the annoyance of insects.

Installation of the Dometic TRT120E is super easy thanks to its 12V operation and the included remote control, which makes it easy to set up and control the tent, reducing assembly and disassembly time.

The lightweight aluminum alloy frame helps keep the tent compact and easy to transport, without compromising the strength and durability needed to handle the rigors of outdoor adventure.

The Dometic TRT120E comes complete with:

- 1 telescopic alloy ladder;
- 1 pvc cover;
- 1 RF remote control;
- 1 5m cable with 12v plug;
- 1 tool bag (8 plastic nuts; 8 MRx50 hex bolts; 8 M8 flat washers; 8 M8 split washers; 4 rail caps; 4 U brackets; 2 spare poles for manual set-up; 2 L-shaped hex wrenches; 1 screwdriver).
