

Scangrip Connector Compatibility with Battery Safety System

Product price:

9,90 € tax excluded

Product description:

Scangrip Compatibility Connector with Battery Safety System

The INTELLIGENT CONNECTOR designed to use 18 V/20 V batteries with SCANGRIP CONNECT work lights.

Regardless of your preferred power tool brand, SCANGRIP has developed a unique CONNECTOR for each brand that fits 18 V/20 V battery packs. Simply mount the CONNECTOR onto the work light, connect the battery, and you're ready to work.

What is the BATTERY SAFETY SYSTEM?

The BATTERY SAFETY SYSTEM protects the battery pack and ensures its safe use. The safety system includes automatic protection against discharge, overload, and temperature monitoring, allowing you to use your 18 V/20 V battery pack multiple times without damage.

SCANGRIP CONNECTORS are design-patented and TÜV Rheinland approved. Each CONNECTOR is sold with separate item numbers and individually designed to fit each power tool brand.

Select the connector suitable for your 18 V/20 V battery pack:

BERNER 18 V/20 V
BOSCH / AMPSHARE 18 V/ 20 V
BOSCH GREEN 18 V/ 20 V
