VITRIFRIGO DW100OCX2RFX refrigeration single compartment

VITRIFRIGO DW100OCX2RFX Stainless Steel Single Drawer Refrigeration: an elegant and versatile refrigeration for your motorhome

Refined and refined design

The VITRIFRIGO DW100OCX2RFX is a real design gem, capable of adding a touch of elegance to your motorhome. Stainless steel, a material of high quality and resistance, gives the refrigeration a modern and refined look. The clean lines and careful finishing make it an elegant and discreet piece of furniture.

Capacity and versatility

Despite its compact size, the VITRIFRIGO DW100OCX2RFX offers a total capacity of 95 litres, enough to comfortably store food and drinks for several days. The drawer structure provides easy access to food and efficient space organisation. The bottom drawer is equipped with a grid ventilation system, which ensures even air circulation and optimal refrigeration.
