Product description:

VITRIFRIGO DW180OCX2DTX double compartment Freezer/Fridge.

VITRIFRIGO DW180OCX2DTX double compartment Freezer/Fridge: ideal for your RV.

Refined design

The VITRIFRIGO DW180OCX2DTX double compartment Refrigerator/Freezer is a sleek and modern product made of brushed stainless steel. Its clean lines and beveled edges make it a refined and discreet piece of furniture.

VITRIFRIGO DW180OCX2DTX double compartment capacity and versatility.

The VITRIFRIGO DW180OCX2DTX double compartment Freezer/Fridge offers a total capacity of 144 liters, divided into two drawers of 80 and 64 liters. This allows you to conveniently store food and beverages for multiple days. The drawer structure allows for efficient space organization and easy access to food.

The VITRIFRIGO DW180OCX2DTX double compartment with top drawer is ideal for storing foods that are consumed most frequently, such as fruits, vegetables and beverages. The bottom drawer, on the other hand, is ideal for storing foods that need to be stored at low temperatures, such as meat, fish and frozen foods.

Advanced Features VITRIFRIGO DW180OCX2DTX Double Compartment

VITRIFRIGO DW180OCX2DTX double compartment Freezer/Fridge is equipped with a number of advanced features that make it a unique product.

Vent Position: the Vent Position feature allows the door to be left ajar during periods of non-use, thus preventing the formation of mold and unpleasant odors.
