Product description:

Discover the Versatility of the Dometic Residence Air All-Season Full Awning: The Ideal Companion for Every Camper.

The Dometic Residence Air All-Season Full Awning is the ideal solution for those seeking practicality and durability on their camper trips. Offering comfort and convenience for all periods, it stands as the top choice for a hassle-free outdoor experience.

Main Features:

- **Innovative Technology:** Equipped with Frame technology, which combines the internal space of a traditional tent with the convenience of an inflatable system.
- **Durable Materials:** Made with Weathershield™, the Full Awning is ultra-durable and suitable for any weather condition, ideal for long stays and trips in warm places.
- **Functional Design:** Featuring an integrated inflatable canopy and zippered external curtains, it offers protection and privacy. The removable front and side panels reduce weight and open up space.
- **Easy Installation:** With its single-point inflation system, the veranda is quickly mounted, allowing you to enjoy your trip right away.
