Product description:

Dometic Inflatable Roof Tent TRT 140 AIR

Dometic Inflatable Roof Tent TRT 140 AIR your key to an unforgettable adventure.

Do you dream of a camping experience in comfort and convenience?

The Dometic Inflatable Roof Tent TRT 140 AIR is the answer for you.

Equipped with a single-point inflation system and an integrated foam mattress, this tent inflates in minutes

and is immediately ready for use. The AIR frame and breathable polycotton fabric guarantee safe and comfortable shelter in all weather conditions.

comfortable shelter in all weather conditions.

Why choose the Dometic Inflatable Roof Tent TRT 140 AIR?

Single-point inflation: the tent inflates in minutes with an included 12V pump, saving you time and effort.

Integrated foam mattress: for a comfortable and restful sleep, allowing you to recharge your batteries for new adventures.

AIR Frame: the robust and stable structure ensures high weather resistance for a carefree holiday.

Breathable polycotton fabric: reduces condensation and regulates the internal temperature,

creating a pleasant environment in any season.

Mesh panels: provide better ventilation and protection from insects, for a safe and comfortable stay.

Large entrance door: makes it easier to get in and out of the tent, for greater freedom of movement.

Telescopic aluminium ladder: included in the package, for climbing in and out of the tent with comfort and safety.

Storage pockets: allow you to store your personal belongings neatly, keeping them within easy reach.
