

VITRIFRIGO IM XT HYDRO (12Vdc) Ice Maker - Door outside

Product description:

VITRIFRIGO IM XT HYDRO (12Vdc) ICE MAKER - DOOR OUTSIDE

The VITRIFRIGO IM XT HYDRO (12Vdc) stands at the forefront of technology and convenience, catering to the demands of sailing enthusiasts.

Integrating the robustness of stainless steel casing with an intuitive mechanical ice production system,

this product excels in marine environments with flawless performance.

Its adaptability shines through: the HYDRO version is engineered for seamless integration with the boat's water system.

Irrespective of the preference, the VITRIFRIGO IM XT HYDRO ensures a consistent provision of fresh, crystal-clear ice,

delivering up to 4 kg within just 24 hours.

Featuring a total capacity of 24 liters and a net weight of 28 kg, the VITRIFRIGO IM XT is meticulously crafted to suit vessels of diverse dimensions.

Its streamlined design, boasting dimensions of 387 mm in width, 485 mm in height, and 516 mm in depth,

facilitates effortless installation even within confined spaces.

Beyond its impeccable technical specifications, the VITRIFRIGO IM XT HYDRO presents an array of premium features to elevate user experience.

Equipped with both internal and external doors featuring full and partial flush profiles, it ensures secure and dependable closure under any circumstances.

Nautical handles and pin lock systems provide additional security against intrusions, ensuring smooth operation even in adverse conditions.

Moreover, the inclusion of a dual-function thermostat enables precise control over ice production and maintenance,

guaranteeing an optimal temperature to preserve beverages and perishables during extensive maritime journeys.

In essence, the VITRIFRIGO IM XT HYDRO emerges as the quintessential choice for those in pursuit of a dependable, efficient, and marine-friendly ice maker.

VITRIFRIGO IM XT HYDRO Technical Specifications:

Total capacity: 24 liters

Power supply: 12 Vdc

Nominal consumption: 180 W

Ice Production Kg/24h: up to 4

Total width: 387 mm

Total depth: 516 mm

Total height: 485 mm

Net weight: 28 Kg

Product features:

Length (mm): 516

Width (mm): 387

Height (mm): 485

Dry weight (Kg): 28

Feed Type: 12 Vdc

Product type: Ice maker

Ice production (Kg/24h): 4

Total capacity liters: 24
