### **Product description:**

#### VITRIFRIGO C42DW DRAWER FRIDGE-FREEZER

The VITRIFRIGO C42DW is a drawer freezer from the AIRLOCK series, known for its advanced Airlock closing system, designed specifically to enhance the user experience.

With a total capacity of 42 liters, this appliance offers innovative solutions that make it highly functional and practical.

The Airlock system ensures a positive door closure, preventing accidental openings and keeping food fresh and safe.

The fast reversibility of the door allows easy adaptation to the surrounding environment, offering greater flexibility in usage.

The AIRLOCK series stands out for its two-tone design, available in both Light Grey and Black, giving the appliance a sleek and modern appearance. The door panel features a matte finish, adding a touch of refinement to the product.

Additionally, the VITRIFRIGO C42DW comes with a stainless steel drawer, providing ample storage capacity and ease of cleaning.

The new high-intensity LED lighting system ensures optimal visibility inside, even in low-light conditions.

With 12/24Vdc power options and the possibility of adding the D power system as an optional feature, this appliance offers unparalleled flexibility in power options. Moreover, the Easy Custom feature allows for simplified panel customization, enabling users to tailor it to their specific needs.

In conclusion, the VITRIFRIGO C42DW is an excellent choice for those seeking a reliable,

functional,  
and elegantly designed drawer freezer. With its Airlock system, optimal storage capacity,  
and flexible power options, this appliance stands out as an ideal solution for a variety of  
environments and applications.
