Product description:

WHISPER MARINE GENERATOR Piccolo GV 3

The Piccolo GV 3 is not just a marine generator, it is a concentration of cutting-edge technology packed into a compact and silent design.

Imagine sailing in silence, lulled by the roar of the waves, without the annoying rumble of a conventional generator.

With the Piccolo GV 3 on board, the energy you need is always available, without sacrificing your comfort or your surroundings.

Main features WHISPER MARINE GENERATOR Piccolo GV 3:

Quiet, compact and lightweight: Ideal for smaller boats where space is an issue.

Water-cooled indirect diesel engine: Reliable, efficient and durable.

Adjustable speed: Allows you to optimise power delivery as required.

Unique Genverter Technology: Offers the flexibility of combining DC PowerCube and AC PowerCube inverters for efficient energy management.

Power and Performance:

Continuous power: 8.6 kW at 24/48 VDC

Number of DC PowerCubes: 2

Rated voltage/frequency: 24/48 VDC

RPM range: 1500 ... 2500 rpm, adjustable

Diesel engine:

Model: Kubota D722

Cylinder volume: 719 cc (three cylinders)

Fuel consumption (empty - full load): 1.2-3 l/hour

Dimensions and weight:

Length x width x height (cabinet): 740 x 550 x 622 mm

Length x width x depth (DC PowerCube): 575 x 221 x 316 mm

Dry weight (cabinet + DC PowerCube): 175 kg + DC PowerCube

CONTROL PANEL Standard start / stop panel - DDC Optional 2nd start/stop panel, Touch panel 7 inch

Advantages:

High energy efficiency

Quiet operation

Easy installation and maintenance

The Piccolo GV 3 is not just a generator, it is an investment in your peace of mind and comfort.

If you are looking for a generator set or generator like the WHISPER PICCOLO10 MARINE then you can browse the entire catalogue of [marine generators](#) suitable for various types of vessels.

Product features:

Continuous power single phase (KW): 8

Fuel: Diesel

Voltage (V): 48

Engine: Kubota D722

Engine rpm (rpm): 1500 ... 2500 rpm, adjustable

Engine capacity (cm³): 719

Number cylinders: 3

Length (mm): 740

Width (mm): 550

Height (mm): 622

Dry weight (Kg): 175

Silenced: Yes

Product type: Generator

Engine manufacturer: Kubota
