

DYNAMICA MINI70I Marine Generator Inverter 6KW 50hz

Product description:

DYNAMICA MINI70I Marine Generator Inverter 6KW 50hz

DYNAMICA MINI70I: Power and Silence for Your Boating Needs

Looking for a compact, powerful and quiet inverter marine generator for your boat? The DYNAMICA MINI70I is the ideal solution.

Equipped with an 8.8 hp (6.5 kW) Yanmar L100N engine and a 6 kW inverter, the DYNAMICA MINI70I offers high performance and clean, reliable power generation.

Key features:

Yanmar L100N engine:

Diesel, 1 cylinder, 435 cm³

Electric start, 12V DC

Easy access for maintenance

Double anti-vibration system

Oil extraction pump

Alternator

Permanent magnet alternator (PMG)

Air/water cooling (intercooler)

Insulation class: H

Automatic high-temperature shutdown

Soundproof cabin:

Aluminium construction with weatherproof panels

Noise level of only 62 dB(A) at 7 metres

Control unit:

IP54 protection

Soft-touch buttons ON/OFF/START/STOP/MENU

Digital display for complete generator monitoring

Mod-Bus 485 connector for monitoring from the dashboard

GSM communication for start/stop and alarm reception

10-metre connection cable

If you are looking for a nautical generator like the MINI70E but with different technical features then you can browse the entire catalog of marine generators.

Product features:

Phase: Single phase

Fuel: Diesel

Frequency (Hz): 50

Voltage (V): 230

Engine: Yanmar L100N

Engine rpm (rpm): 3300

Engine capacity (cm³): 435

Cooling: Heat exchanger air/water

Inyección : Indirect

Alternator: Permanent magnets

Power (KW): 6

Bore x stroke (mm): 67 x 68

Lubrication: Forced

Motor insulation class: H

Acoustic pressure: 62 dB(A) at 7 m

Length (mm): 675

Width (mm): 468

Height (mm): 565

Dry weight (Kg): 130

Product type: Generator

Engine manufacturer: Yanmar
