DOMETIC NRX 50C: Design, Efficiency and Freshness at your fingertips

The DOMETIC NRX 50C is a 44-liter compressor refrigerator that combines stylish design with high performance and exceptional energy efficiency. Perfect for RVs, boats, or caravans, this refrigerator offers a versatile and reliable refrigeration solution for your adventures.

Key Features:

Modern design: A sleek frameless door with a dark silver front and full-width handle gives the NRX 50C an understated appearance.

High energy efficiency: Thanks to Dometic technology, the NRX 50C boasts low energy consumption, ranking among the best in its class.

Versatile interior: The 44-liter interior space is well organized with adjustable shelves, fruit and vegetable drawers and a removable 4.4-liter freezer.

Advanced features: The user-friendly control panel allows you to adjust the temperature and choose from several operating modes (Eco, Boost, Silent). Winter mode ensures optimal performance even in cold climates.

Dometic Quality: Built with high-quality materials and reliable components, the NRX 50C is designed to last.
