Product description:

FRIGOBOAT MS180IN FRIGO MOBILE 178LT

The Frigoboat MS180IN Frigo mobile 178lt is the marine refrigerator that combines excellent performance with an elegant design, ideal for boats. With a capacity of 178 liters, the Frigoboat MS180IN offers ample space to store food and beverages, perfect for long trips. Thanks to its 4 adjustable shelves, bottle holder, and can holders, every corner of the refrigerator is designed to optimize space.

Made entirely of stainless steel, the Frigoboat MS180IN Frigo mobile 178lt is resistant to corrosion and easy to clean, ensuring durability and hygiene. The refined and functional design makes it a true piece of furniture for your boat, perfectly integrated with the other furnishings.

The Frigoboat MS180IN Frigo mobile 178lt is equipped with advanced insulation made of expanded polyurethane, which minimizes energy consumption while maintaining optimal cooling. Thanks to the double-glass door in the wine cellar versions, thermal insulation is further enhanced, making the refrigerator even more efficient.

The installation of the Frigoboat MS180IN Frigo mobile 178lt is simple thanks to the innovative quick-connect system from Frigoboat, which allows for fast and easy installation. It is also compatible with the Frigomatic refrigeration units, both air-cooled and water-cooled, for maximum performance.

Technical Specifications of FRIGOBOAT MS180IN Frigo Mobile 178lt:
