# Whisper Power Autotransformer 120/240 VAC | 100 A

**Product price:**

**776.00 € tax excluded**

## **Product description:**

Circuit Breaker Protection: 100 A bipolar

Maximum Current Passing: 100A @ 240V

Input/Output Voltage: 120V / 240V

Input/Output Frequency: Only 60 Hz

Maximum Neutral Current: 30 A continuous

Soft-Start Feature: NO

Cooling: Forced air cooling with controlled temperature

Audible Noise: Maximum sound level: 53 dB(A)

Transformer Temperature Class: Class F (100K)

Transformer Insulation Class: Class B (130°C)

No-load Consumption: 77mA

Voltage Regulation: 5%

Weight: 9kg

Dimensions (H x W x D): Dimensions: 432.3 x 213 x 128 mm

**Product features:**

Frequency (Hz): 60

Cooling: Air

Product dimensions (mm): 432,3 x 213 x 128

Acoustic pressure: 53 dB(A)

Weight (Kg): 9

Input/output voltage 120V / 240V: 120V / 240V
