

Air Conditioner and Cooler with 4 Functions 9000Btu

Product price:

1,150.00 € tax excluded

Product description:

Air Conditioner and Cooler with 4 Functions 9000Btu

This **Air Conditioner and Cooler with 4 Functions 9000Btu** is a multifunctional device designed to offer maximum comfort in domestic and professional environments.

Thanks to the combination of advanced technologies, it is able to cool, air condition, dehumidify and operate in combined mode for optimal efficiency.

Ideal for environments from **20 to 30 m²**, this air conditioner and cooler is the versatile and sustainable solution to face every season with maximum well-being.

Discover the **Air Conditioner and Cooler with 4 Functions 9000Btu**, the ideal solution for cooling, air conditioning, dehumidifying and improving air quality in a single compact and powerful.

4 Integrated functions:

Evaporative cooling

Air conditioning

Combined cooler + air conditioner mode

Dehumidification

Main technical features:

TOUCH control panel

Equipped with 2 dust filters

Air filter with cooling panel

Air flow speed: 14 m/s

Cooling capacity: 1200 m³/h – consumption 160 W

Cooling capacity: 9000 Btu – consumption 725 W

Ecological refrigerant: R290

Connection to the water mains for the cooler function

Integrated water level indicator

Infrared remote control included

Wheels with brakes for easy movements

Color: white

Product dimensions: 37.5 x 45 x 129 cm

Net weight: 30 kg

Gross weight: 36 kg

Are you looking for an air conditioner with different technical characteristics? [HERE](#) you can find the entire range of air conditioners from specialized brands.

Product features:

Product dimensions (mm): 375 x 450 x 129

Gross weight (Kg): 36

Colour: White

Coolant: R290

Functions:: Cooling / Air conditioning / Combined cooler + air conditioner mode / Dehumidification

Cooling Capacity: 9000 BTU

Net weight kg: 30

Control Panel: TOUCH

filtri: 2 dustproof

Air flow speed: 14 m/s

Cooling capacity: 1200 mc/h - 160 W

Water mains connection: (refresher function)

Water level indicator: si

infrared remote control: yes

Wheels with Brake: yes

refreshed area: 20/30 m²

cooled area: 20/30 m²
