

GENSET - Remote control 20M

Product price:

135,00 € tax excluded

Product description:

GENSET - 20M Remote Control

Remote control available for GENSET welding generators of the MPM series.

The remote control allows to comfortably adjust the welding current from the workstation, thanks to a potentiometer. Once connected to the unit's instrument panel, via a 20-meter cable, it is immediately operational
