

DazeBox T Duo Electric Vehicle Charging Station 64A 2x7.4KW

Product description:

DazeBox T Duo Electric Vehicle Charging Station 64A 2x7.4KW

A public charging station in the size of a wallbox. A single power supply for both outlets, a large screen, and complete connectivity make Duo a charger suitable for both domestic and public use.

The smartest solution for adjacent parking spaces

Duo is the perfect solution for parking. Designed for both residential and public use, it combines cost-effectiveness, ease of installation, and reliable performance. Whether you're managing two parking slots or several in a row, the Duo delivers a versatile charging solution for multiple spaces with a single, compact unit.

Balancing between two charging points

Duo operates with a single power supply, intelligently and automatically distributing available power between both charging points. This ensures optimal charging performance for multiple vehicles without the need for additional infrastructure.

Product features:

Phase: Single phase

Nominal current (A): 64

Charging socket: mode 3

IP Protection: IP56

Operating temperature: Da -30° C / +55°

Maximum power consumption: 2x7,4 kW

Connection points: 2x25

Shop name

MID-certified current measurement: No

Dimensions (without cable): 557 x 280 x 161 mm

Protezione IK: IK10

Lunghezza cavo: 5m
