

# DazeBox T Duo Electric Vehicle Charging Station 64A 2x22.2KW

## Product description:

### DazeBox T Duo Electric Vehicle Charging Station 64A 2x22.2KW

A public charging station in the size of a wallbox. A single power supply for both outlets, a large screen, and complete connectivity make Duo a charger suitable for both domestic and public use.

### The smartest solution for adjacent parking spaces

Duo is the perfect solution for parking. Designed for both residential and public use, it combines cost-effectiveness, ease of installation, and reliable performance. Whether you're managing two parking slots or several in a row, the Duo delivers a versatile charging solution for multiple spaces with a single, compact unit.

### Balancing between two charging points

Duo operates with a single power supply, intelligently and automatically distributing available power between both charging points. This ensures optimal charging performance for multiple vehicles without the need for additional infrastructure.

## Product features:

Phase: Three phase

Nominal current (A): 64

Charging socket: mode 3

IP Protection: IP55

Operating temperature: Da -30° C / +55°

Maximum power consumption: 2x22,2 kW

Connection points: 2x25
