Product description:

Vinco 60161 1kW Inverter Generator

Vinco Inverter Generator COD. 60161: the portable 1kW generator perfect for construction sites, domestic emergencies and professional uses, with inverter technology for stable and clean energy.

Lightweight and compact, it offers 1kW nominal power, 3.5 hours of autonomy at 100% load

Main Technical Features

Power and Performance: Max 1.1 kW (1x16A socket), nominal 1 kW; 56 cc engine, manual start, 230 V - 50 Hz.

Autonomy and Tank: 2.8 L fuel capacity, up to 3.5 hours of continuous operation at maximum load.

Portability: Net weight 11.5 kg, dimensions 34x30.5x29 cm – ideal as a lightweight portable inverter generator.

Technical Features:

Maximum power: 1.1 kW (1x16A socket)

Rated power: 1 kW

Voltage/Frequency: 230 V - 50 Hz

Displacement: 56 cc

Start: Manual

Fuel capacity: 2.8 L

Autonomy: 3.5 hours at 100% load?

Net weight: 11.5 kg?

Product dimensions: 34 x 30.5 x 29 cm?

Noise level measured at 7 m: 90 dB(A)?

Socket configuration: 1x16A socket?

Product features:

Phase: Single phase

Maximum power single phase (KW): 1.1

Frequency (Hz): 50

Voltage (V): 230

Sockets configuration: 1x16A

Starting system: Manuale

Fuel tank capacity (L): 2.8

Noise level at 7 m: 90 dB(A)

peso netto: 11.5 Kg

Product Dimensions (cm): 34x30,5x29

Nominal Power: 1 KW
