

MASE MARINER 1900 S SINGLE PHASE SILENCED MARINE GENERATOR 18.4KW

Product description:

MASE MARINER 1900 S SILENCED SINGLE-PHASE MARINE GENERATOR 18.4KW

MASE MARINER1900S single phase silenced marine generator is equipped with a YANMAR 4TNV88 diesel engine capable of delivering a maximum power of 18.4 KW at 1800 rpm.

The MASE MARINER1900S is built with and synchronous alternator, self-excited with air cooling, it is extremely compact and powerful, suitable even on small boats. The alternator is complete with a voltage regulator that ensures the stability of the voltage delivered by the generator, delivering current like at home.

The MASE MARINER1900S allows an easy access for the maintenance of the feeding and lubrication systems, of the sea water pump, of the air filter, of the oil filter and of the fuel. Moreover it is equipped with safety systems of auto stop for low oil pressure and for high temperature engine or exhaust gas.

The MASE MARINER1900S is equipped with a soundproof cabin that makes it super silent, with a sound emission of 54dB(A) at a distance of 7 m. The soundproof cabin in painted aluminum is extremely light and of very high resistance to external agents.
