Product description:

FINI COMPRESSOR K-MAX 11-10 ES VS

The FINI COMPRESSOR K-MAX 11-10 ES VS is a paradigm of engineering finesse and robust power. Designed to cater to the most demanding operations, this model blends unparalleled capacity with unmatched flexibility. Equipped with the latest features and boasting an elegant design, the K-MAX 11-10 ES VS is a testament to FINI's dedication in delivering top-tier compression solutions. The ES VS series further elevates this commitment, highlighting FINI's ongoing evolution and expertise in the compressor landscape.

Product features:

Net power (kW): 11

Pressure (bars): 10

Air output max-min (L/min): 1550 - 620

BSP: 3/4"

Acoustic pressure: 68 dB(A)

Length (mm): 700

Width (mm): 1360

Height (mm): 1000

Dry weight (Kg): 298
