

BM2 INFRARED MOBILE SPACE HEATER IK 2.0

Product description:

Powered by electricity like EK models. These have no moving air because heating is generated by radiation.

Ideal for localized and precise heating.

- Can be used both outdoors and indoors; IK: IP65 protection
- Immediate and targeted heating
- Energy saving as there is no pre-heating phase
- No air movement, therefore no dust
- No smell or noise
- Power cord (2 m) with plug
- Supplied with wall bracket and two axial rotating rod for a better orientation possibility

The images are purely indicative.

Product features:

Phase: Single phase

Frequency (Hz): 50

Voltage (V): 230

Rated heat power: 2 KW - 1720 Kcal/h - 6825 BTU/h

Heat efficiency (%): 100

Length (mm): 100

Width (mm): 670

Height (mm): 125
