

DOMETIC SHELF RMS840X-SHLF

Product description:

Got an 8 series model of Dometic fridge? Create some extra shelf space with this useful accessory.

One more shelf please

Wouldn't it be nice to increase your fridge's capacity from time to time? Well, with the Dometic shelf you can! Simply remove the freezer compartment of any 8 series model of Dometic fridge and replace it with this handy extra shelf. It's as easy as that!
