Product description:

TELECO VOYAGER G350 SATELLITE ANTENNA 50 cm

The TELECO Voyager G350 Satellite Antenna is an ideal solution for those seeking a reliable, practical, and easy-to-use system. This manual TELECO Voyager G350 satellite antenna is designed to offer simple and precise alignment directly from inside the vehicle, thanks to a graduated scale on the pole that allows quick adjustment of the tilt.

Main features of the TELECO Voyager G350 Satellite Antenna:

Integrated graduated scale: The tilting pole features a graduated scale, making it easy to set the dish's tilt without leaving the vehicle.

Ease of adjustment: Simply rotate the dish toward the south using the internal pole and optimize the signal while watching the television. This quick and intuitive operation makes the TELECO

Voyager G350 Satellite Antenna a favorite among motorhome enthusiasts.

Compactness and lightness of the TELECO Voyager G350:

Closed dimensions: 65 x h17 cm.

Total weight: 6.80 kg.

Dish size: 49 x 45.5 cm, ideal for optimal satellite signal reception.

Pole versatility: Available in two options:

Long pole: 52 cm.

Short pole: 33 cm.

Contents of the TELECO Voyager G350 kit:

Each kit includes:

Pre-assembled satellite antenna with a tilting pole.

Dish reflector for stable and efficient reception.

Connection cables for immediate installation.

Detailed instruction manual to guide users step by step.

Advantages of the TELECO Voyager G350:

Precision alignment: Thanks to the graduated scale, it's possible to compensate for vehicle unevenness to achieve optimal tilt. This system ensures perfect reception even on uneven terrain.

Ease of use: The intuitive design allows immediate use, even for those with no prior experience with satellite systems.

Reliable performance: The TELECO Voyager G350 Satellite Antenna's dish ensures stable reception, even in less-than-ideal weather conditions.

Universal compatibility: The system comes equipped with a universal LNB, offering extended compatibility with various satellite signal providers.

Why choose the TELECO Voyager G350?

The TELECO Voyager G350 Antenna is designed to meet the needs of modern motorhome users. With its lightweight and compact design, it easily adapts to any type of vehicle. If you are looking for a reliable, user-friendly, and robust satellite system, this antenna is the perfect choice.
