

SCANGRIP UNI-EX - Explosion-proof lamp Zone 0/20 - 290 Lumen

Product description:

SCANGRIP UNI-EX -Handheld, rechargeable and explosion proof work light

By mid-year 2020 SCANGRIP UNI-EX will be upgraded to ZONE 0/20 classification.

SCANGRIP UNI-EX is a very sturdy, rechargeable COB LED work light for the professional user. The COB LED light provides a unique powerful and completely uniform illumination which is ideal for working light.

The extremely durable SCANGRIP UNI-EX lamp features a sturdy surface to resist wet and dirty workshop environment. Also, with the shape and surface of the lamp, it provides a comfortable, ergonomic grip.

Place the lamp everywhere you want during inspection work with the turnable sturdy hook or the strong built-in magnet in the bottom to have both hands free for working. The flexible lamp head tilts up to 180 degrees.

SCANGRIP UNI-EX is designed to carry in the pocket or in the work belt by the built-in belt clip. In this way, you always have the work light close at hand when you need efficient and bright illumination for a job.

The lamp is recharged in the charging base. When not in use, you keep the lamp in the charging base which is prepared for wall mounting.

SCANGRIP UNI-EX is supplied with both mainlight and toplight. It offers two-step operating options depending on the type and durability of the work carried out:

- Step 1 = 50 % light output
- Step 2 = 100 % light output

Up to 6 hours' operation time. The intelligent battery indicator at the back keeps you informed about the battery level. To display battery level during use, press on/off switch 3 seconds.

Five benefits by SCANGRIP UNI-EX:

- Extremely powerful and completely uniform illumination
- Rechargeable with up to 6h operation time
- Waterproof IP65
- Ergonomical design for a comfortable, firm grip
- Built-in magnet, belt clip and sturdy hook

// The design of SCANGRIP UNI-EX is unique and covered by EU design patent RCD No 3451038.
